Re: Petition Under 37 CFR § 1.137(a) / U.S. App. Ser. No. 09/662,195

Gentleman/Ladies:

On May 5, 2003, on behalf of Nanocluster Technologies LLC (the assignee of the above application), a corrected Petition to Revive Under 37 CFR § 1.137(a), with associated papers, were filed seeking to correct an erroneous reference to the application's serial number in its May 1, 2003 Petition. The May 5th letter requested that the previously submitted Petition be withdrawn/disregarded and that the Petition Fee of \$55 be applied to the corrected Petition.

By letter dated May 22, 2003 from Mr. John J. Gillon, Jr. of your office, we were informed that the earlier filed (May 1, 2003) Petition was dismissed as moot and the previously submitted check was being refunded to us. Accordingly, attached is our check # 4832 for \$55.00, to be applied as the Petition Fee (small entity) for the May 5, 2003 Petition.

If there are any questions, please contact me at 202 861-1200.

Very truly yours,

Eugene Berman
